ABDULRAHMAN GHAREEB

Data scientist

ABOUT ME

Hello, my name is Abdulrahman Ghareeb. I am 21 years old. I specialize in data analytics, helping organizations improve decision-making and reduce costs by Transforming raw data into actionable insights. With a proven track record as a data scientist, I bridge the gap between complex datasets and strategic solutions, ensuring measurable impact and innovation."

EDUCATION

Benha University, Obour city, Egypt

Bachelor Of Communications and
Computer Engineering (Start:2021,
Expected Graduation: May 2026) GPA:
Good
